IN ADDITION TO THEIR OWN STAFFS, MOST OF THE ORGANIZATIONS LISTED ABOVE ALSO HAVE A SUBSTANTIAL NUMBER OF BUSINESS AND PROFESSIONAL MEMBERS THAT STAND READY TO ASSIST AND/OR DO BUSINESS WITH ISRAELI BUSINESSES.

The services offered by the listed organizations vary, but are likely to include some or most of the following:

Certificates of Origin

- Identification of and introduction to American companies likely to be of interest as potential customers, suppliers, joint venture partners, service providers, etc.
- Identification of and introduction to government, private and non-profit organizations likely to be able to provide introductions and assistance
- Provide opportunities to attend or make a presentation to a target audience
- Provide requested research and information
- Networking opportunities
- Listing in appropriate directories
